1 Steps to download the "Vehicle Details" file

- I confirm that my computer has a ".zip" file decompression program.
- Download (click) the compressed file titled "Vehicle Details"
- Open the file saved in the Downloads folder on your computer
- Right click on the folder and select: "Export all"
- A folder is created, containing the excel file with the vehicle details and a folder with their photos.
- Upon opening the Excel file, a list of the auction vehicles intended for circulation will appear. By clicking on the displayed image of the vehicle of interest, a folder containing all the images available for that specific vehicle will automatically open.
- For the smooth use and operation of the file by the user, it is important not to move or rename the downloaded files.
